

# GOUACHE

Portobello

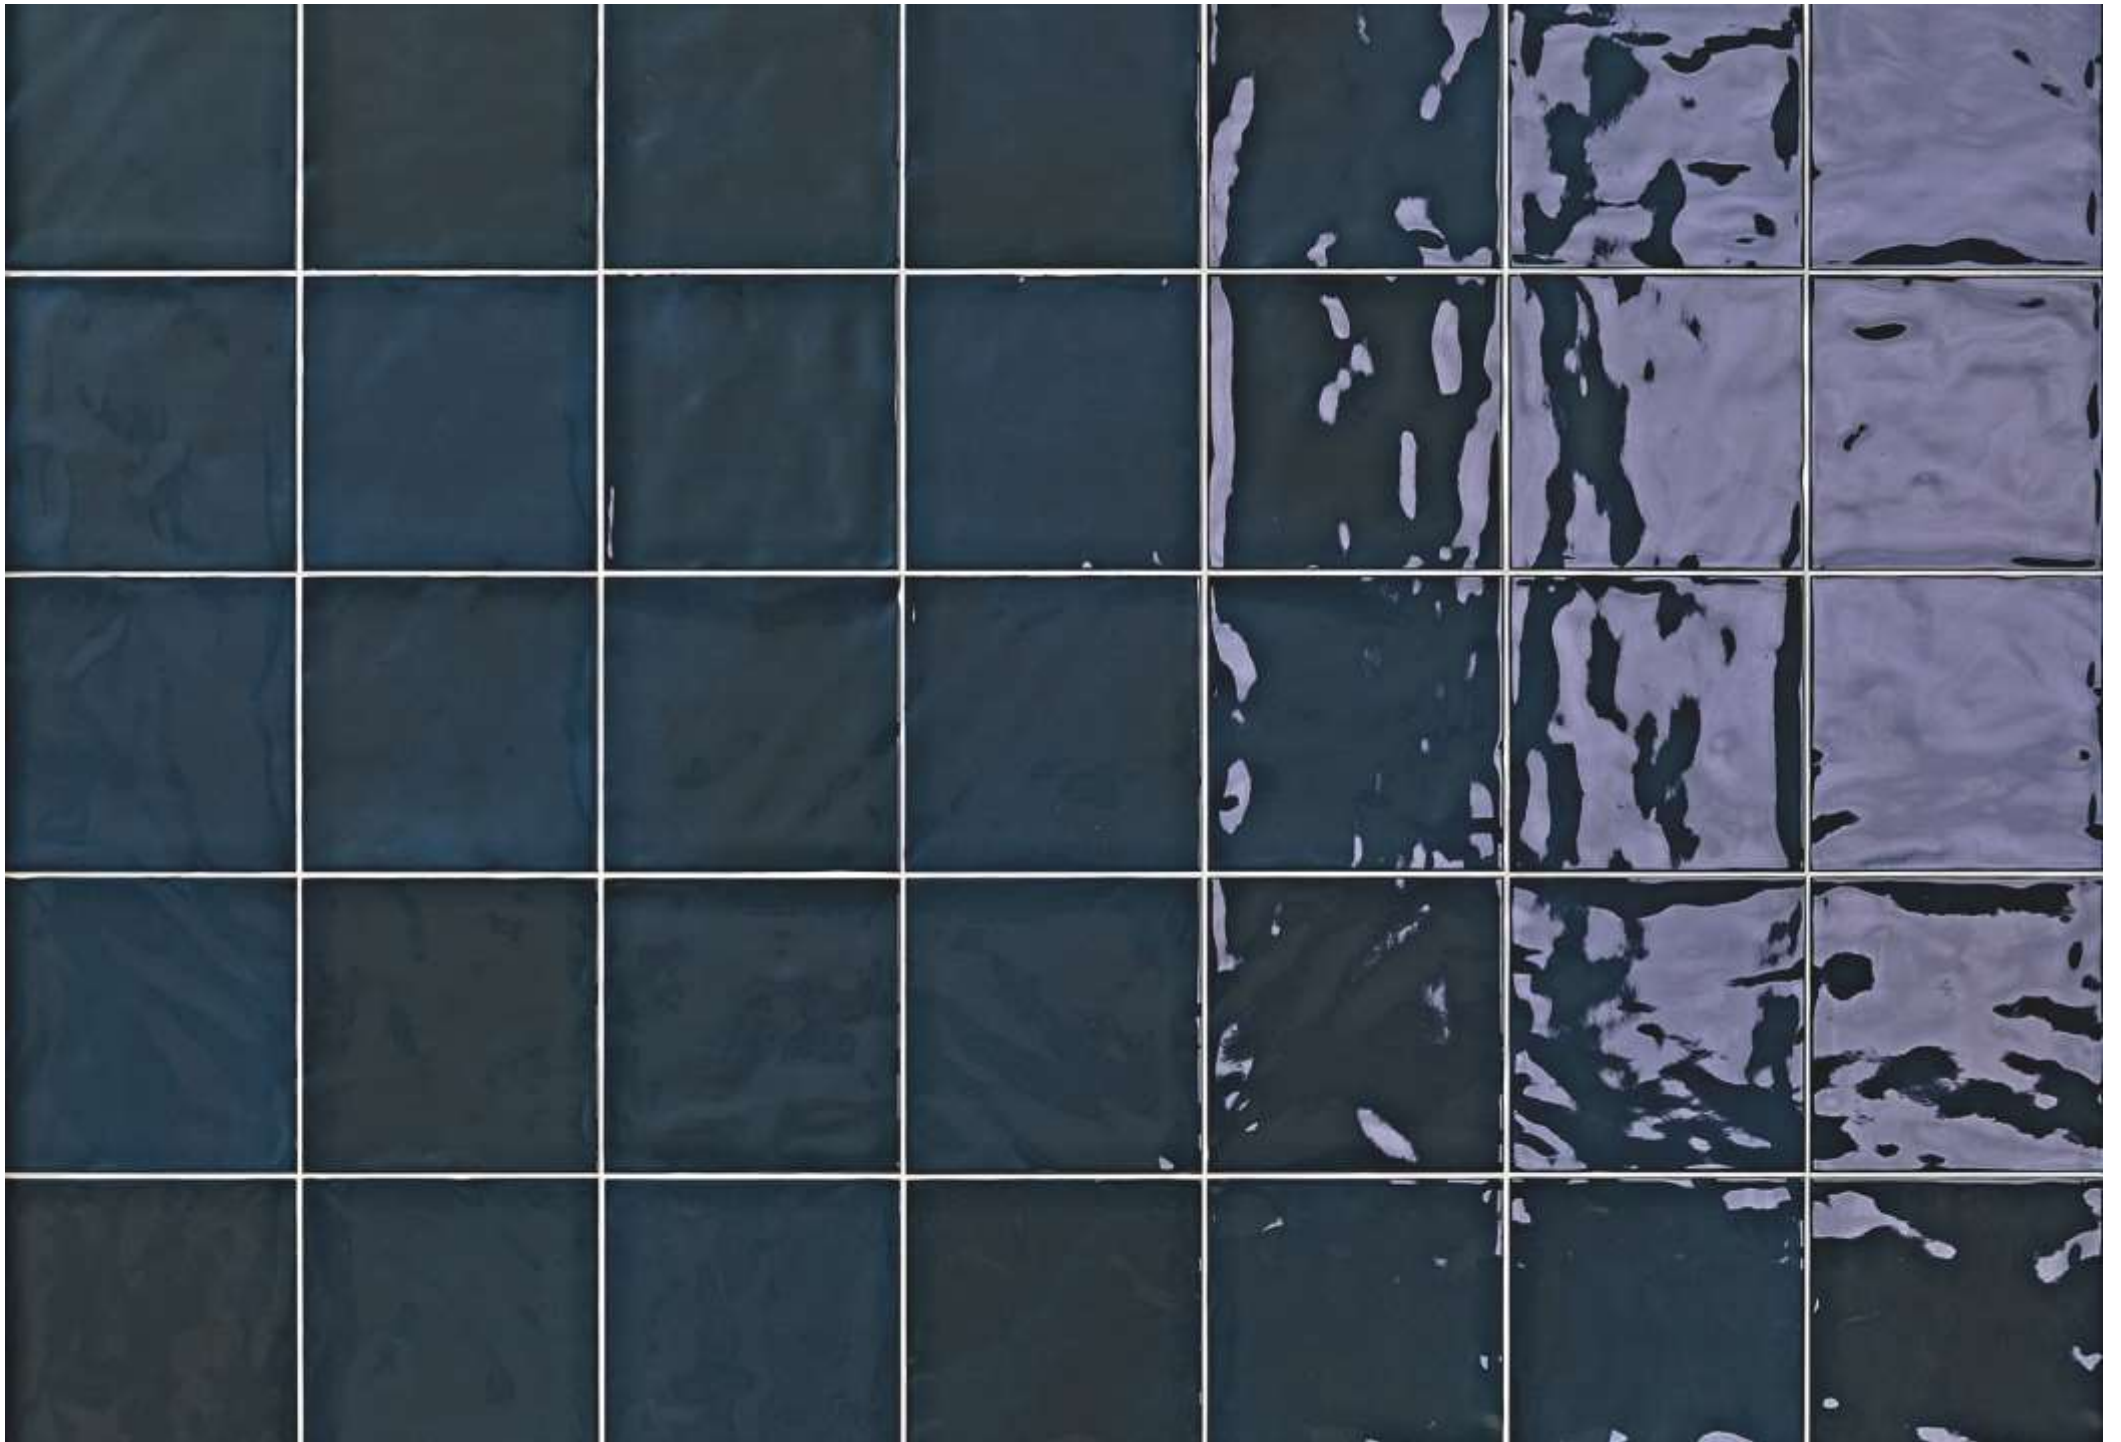

## Gouache

El movimiento del pincel revela maticos y forma sorprendentes capas de color. La superficie lisa en relieve intensifica el color y resalta la belleza de la técnica. 13 tonalidades con diferentes profundidades y el encanto de la pintura gouache invitan a composiciones cromáticas, una mezcla de formatos y superficies, y producciones realizadas con accesorios decorados.

Gouache es un sistema de color para todos los ambientes, pura materia prima para espíritus creativos.
